

Chesterfield Academy Spring Break Activity Calendar

Week of: March 15-19, 2010

****Join us for a “sneak peak” into summer! Come experience some of the awesome activities we have planned and see what it’s like to come for our Summer Camps!****

	Math/Science	Literacy and Learning Centers	Arts/Crafts
<u>Monday</u> “MUSIC AND THEATRE CAMP”	How many beats in a measure?! Create your own musical instrument to take home!	Write, perform, and film the class puppet show!	Make your own sock puppet for the class puppet show.
<u>Tuesday</u> “SCAVENGER HUNT WEEK”	Students will follow maps to find hidden treasure!	The class will go on a Spring Scavenger Hunt using our camera, then develop the pictures to create a collage.	Create a classroom collage of pictures using scrapbook materials.
<u>Wednesday</u> “COOKING CAMP”	Students will use measuring tools to create “Shamrock Shakes” and “Friendship Bread”!	Create your own restaurant menu and explore our restaurant prop boxes.	Students will create their own “edible garden” for snack!
<u>Thursday</u> “ARTS AND CRAFTS”	Students will explore simple machines and make their own wind-up toy	Students will make their own bracelet with beads that change color when exposed to light.	The students will decorate their own clay pot and plant a flower to take home.
<u>Friday</u> “SCIENCE AND NATURE CAMP”	“Let’s Go Fishing!” (using math and magnets!)	Create your own “Hairy Harry”, using grass for hair.	Explore electrical circuits and learn how to make a light bulb light up.

Special Projects: **Tuesday:** Field Trip to a local park for a scavenger hunt!
 Thursday: Field Trip to “The Painting Paw” for a “make-and-take” art project!
